

FEATURING POWERFUL
CITRONELLA OIL
FOR INSECT CONTROL!

ASI Pit Hammer is a unique blend of naturally occurring bacteria and essential oils combined for the degradation of organic solids, odor control and effective insect management. Each gallon of ASI Pit Hammer contains millions of safe, non-pathogenic bacteria that digest and liquify solids and reduce odor emissions, such as ammonia and hydrogen sulfide. Citronella oil has been added into this unique blend to shield treated areas against insect infestation.

WHY USE ASI PIT HAMMER?

*Less sludge buildup in
pits and lagoons*

*Helps lower ammonia
and hydrogen sulfide*

*Improves the biological
health for better anaerobic
lagoon function*

*Reduces odor causing
compounds*

Reduces pit crusting

Reduces odor emissions

*Easier and more
efficient pump outs*

Packaged in
5 gallon containers
(regular strength)
and 2 gallon containers
(concentrate)
