

ASI Pit Hammer

FEATURING POWERFUL
CITRONELLA OIL
FOR INSECT CONTROL!

ASI Pit Hammer is a unique blend of naturally occurring bacteria and essential oils combined for the degradation of organic solids, odor control and effective insect management. Each gallon of ASI Pit Hammer contains millions of safe, non-pathogenic bacteria that digest and liquify solids and reduce odor emissions, such as ammonia and hydrogen sulfide. Citronella oil has been added into this unique blend to shield treated areas against insect infestation.

WHY USE ASI PIT HAMMER?

Less sludge buildup in pits and lagoons

Helps lower ammonia and hydrogen sulfide

Reduces pit crusting

Reduces odor emissions

Improves the biological health for better anaerobic lagoon function

Reduces odor causing compounds

Packaged in 5 gallon containers!
