

Key Vista Country Club Expansion

Summary: Key Vista Country Club ownership has dedicated itself to becoming the premier community in the Beulaville School District offering affordable lot locations to family oriented couples. Lots are sizeable and border the golf action as can be viewed on the following pdf: [Key Vista Layout](#). Expansion to 18 holes is also underway as holes 10-18 are roughed in and awaiting irrigation. Geno Kennedy, owner of Agriment Services, believes in this project as he has purchased a sizable lot and made his home at Key Vista. Agriment Realty is spear heading the growth and expansion of Key Vista Country Club and will be the Real Estate Agency in charge on this project. Prices for lots at this time are \$25,000 and will follow an ascending scale so make your appointment today!

The 9-hole "Key Vista 1" course at the Key Vista Country Club facility in Pink Hill, North Carolina features 3,167 yards of golf from the longest tees for a par of 36 .
