Mr. Kennedy,

It is our understanding that Harry Parker may be selling his old sow farm (Parker's Porkers Sow Farm #2443). This is to inform you that if someone purchases it, Murphy-Brown LLC d/b/a Smithfield Hog Production will be glad to enter into a 10 year Market Hog Wean to Finish Agreement with them. The farm would need to be completely torn down and built back as a wean to finish facility. If you have any questions, please don't hesitate to give Grower Relations a call at 910-296-3777 or 910-296-3767.

Sincerely,

Dexter Edwards
